2017-18 Strategic Plan Final

Plan Description

Rockledge follows the practices of a Professional Learning Community and utilizes the Baldrige in Education framework. Through the PLC and Baldrige processes, stakeholders identify areas for improvement and follow the PDSA (Plan Do Study Act) process to remain on a path of continuous improvement while developing plans to achieve a variety of school-wide goals. The Advisory Council provides input to the principal through the PDSA process and assists in identifying priorities as well as resources needed to achieve the goals outlined in the Rockledge annual strategic plan.
